

EPYSA COVID-19 Resources & ICSL COVID Guidelines can be found at the top of the ICSL Home page: www.icslsoccer.org

ICSL WILL FOLLOW EPYSA GUIDELINES: <https://www.epysa.org/covid-19-resources/>

All players, coaches, trainers, referees and spectators should wear masks. This includes when warming up, sitting on the sidelines and playing in the game. The only exemption to this is a person that meets the exemption in the Face Covering Order. Referees will not be responsible for enforcement.

ICSL also highly recommends players, coaches and spectators are on opposite sides of the field of the opposing team and that teams **NOT** share a sideline.

While we all have our own beliefs and opinions regarding the need for face coverings and social distancing, we are doing this for the children and our love for soccer. Face coverings should be worn by all at your soccer games.

Please follow the EPYS/ICSL COVID Policies.

***(NO EXCEPTIONS UNLESS MEDICAL CONDITION OR FULLY VACCINATED) ***

League Game Guidelines:

- **REPORT to ICSL:** If any player, coach or spectator has tested positive for covid-19
- Players and Coaches should be on same sideline as their spectators.
- Do not allow any team member(s) with symptoms to attend any league games
- If you are sick, feeling sick or have a temperature, you must not attend league games
- Players and coaches should remain in their vehicles until the its time to enter the facility (to allow teams and supporters at previous games to leave the Venue)
- Players and coaches must wear face coverings between the parking lot and the field
- Coaches should wear masks during the whole game
- Coaches and players should maintain social distancing during half time, water breaks and at all times when off the field of play

- Do not share water bottles, drinks or any personal items
- No handshakes or high fives
- Soccer balls should be disinfected before and after each game
- No spitting
- Avoid touching eyes, nose, and mouth with hands
- Players should sanitize their hands each time they come off the field

Parents and Spectators Guidelines:

- Anyone with symptoms (fever, cough, etc.) should not attend games
- Spectators and guests should bring personal hand sanitizer and wipes to games
- All spectators must wear a face covering traveling while between the parking lots and the fields
- Spectators should be separated to comply with all social distancing guidelines (6 feet apart)
- Anyone feeling sick should leave the facility immediately
- It is strongly recommended that people over 65 and/or with pre-existing conditions do not attend

Health and Safety Guidelines:

- Clubs should provide communications (emails, zoom calls, TeamSnap etc.) to clearly communicate expectations, protocols, health and safety, and reduce risk for its members.
- Provide video/multimedia health and safety tutorials for all members of your club including spectators
- All players and coaches should do a temperature self-check prior to each league game
- If a player has a temperature, they should not play

- Anyone who feels sick or has any symptoms of COVID-19 should not attend league games
- Anyone who has had close contact with a person known to have COVID-19 should not attend league games
- All people planning to be on site should bring their own face coverings and hand sanitizer

Field Guidelines:

- Reduce the number of people on site in one area at any one time to promote social distancing
- Feel free to use tape and/or cones to ensure proper distance is followed by all attendees
- We do not recommend any team or group pictures on site
- Anyone who becomes sick during the event should leave the facility immediately
